The Heat's internet home is the place to go for complete team information !

## **Season Finale**

The final short course meet of the season was held March 25-27 at Moon Valley County Club in Phoenix. Everyone had a good time in Phoenix and there were some great swims ! Results are now posted ... as you're your Best Short Course Times through March. Congratulations to EVERYONE for very productive short course season.

## **Meet Schedule**

The full meet schedule will be posted by Monday, April 17<sup>th</sup>. First up will be an "AB" at Poway Community Pool (San Diego, CA) April 28-30. [The Poway meet information, map, and an eligibility list are posted.](#)

## **New and Returning Swimmers**

Some of our athletes have taken time off this winter. As we enter the summer season, we hope to see many of these swimmers return to the pool. We are also interested in finding youngsters that would like to join the team for the first time. If you know of anyone that might be interested, April would be a great time to start ! For team information, direct them to the Heat website, or they can call Coach Andersen at 580-7404.

## **Arizona Swimming Swimposium**

Arizona Swimming (our local USA Swimming governing body) will be hosting a Clinic/Banquet on April 22. Every registered swimmer should receive the Swimposium flyer in the mail this week. You will also find the Swimposium flyer on our website's *News* page. Last year's event was a very positive experience for the swimmers and coaches that attended. Consider participating this year.

## **Heat Banquet**

The tentative date for our 2005-2006 Team Banquet is Friday, May 5. More info will be sent in next week's News Splash.

## **Team Office**

The team office at 291 S. Main Street, Suite F, Yuma, AZ 85364 has closed. Most of you use the drop box for making payments, but those that do use the US Postal system will need to use the drop box until further notice. The official address for the team will become 10475 Mountain Drive, Yuma, AZ 85367 (Coach Andersen's home address). The team e-mail address will also change. You may continue to use [yumaheat@earthlink.net](mailto:yumaheat@earthlink.net) until the new address is confirmed. April invoices are ready to go, but the new internet connection may take a few days ... but ... *you are more than welcome to pay your April team fees before you receive your invoice !*

## **Used Team Equipment**

Troy Maryniak will begin selling/recycling team equipment (fins primarily). Troy will buy back fins that no longer fit and resell them. See Troy for details. This is a great way to cut down equipment costs. On a similar note ... Big 5 Sports is selling Churchill fins and a very good price, BUT, they do not have the smaller sizes. Sports Authority has the smaller sizes, but the price is a bit higher.
