## Practice Schedule Variations

Attached to this e-mail, and available on the *NEWS!!* page of our website, you will find the Summer Practice Schedule. A calendar is also attached (but will not be on the website unless I can find a way to do that!). **There are irregularities** due to swim meets at Marcus and pool parties at Kennedy ... post these pages on your refrigerator!!!

## Board Positions

- Brad Edmondson was voted onto our Board of Directors last night. Congratulations and thank you for stepping up!
- Ron Corbin has done a terrific job as our treasurer this past year; however, he has a new job and just doesn't have the time available to continue. So, we are looking for someone to join the Board as **Treasurer**! If you has any interest in this position, talk with Ron ... soon. Thanks.
- Our Registrars, Nancy Jones & Alison Keough, are getting our paperwork straightened up. It would help if they had a **lap-top computer** to use at the pool. If anyone has a lap-top that they don't use and would like to loan it (or donate it ... think *tax write-off*!) please let us know. The lap-top needs to be 1 GHz / 64 MB RAM / Windows 98 or better. Thanks!

## Mini Meet

- **Thursday, May 17 Mini Meet at Kennedy Pool. Warm up - 4 PM.**
- Prior to the meet, Troy Maryniak would like to get together with parents interested in alternative fund raising ...

## Summer Sandsharks

The Heat will once again run an Imperial Valley Swim League (IVSL) summer team. Called the Sandsharks, this group swims from June 11 through August 4. Last year some of the Heat swimmers participated in the Sandshark meets. If that sounds interesting to you, check out the *Sandshark* page on our website. There is an [IVSL Registration Fee of \\$11](#). Heat swimmers should NOT register with the City of Yuma! A special registration [form is attached](#). Return the form along with a check for \$11 made payable to Yuma Heat.

Also, if you know of anyone that might want to start their competitive swimming with the Sandsharks, please direct them to the website ... full registration forms are available on the *Sandshark* page.

## Middle School Meet

If you haven't heard, the Heat will be running a Middle School Invitational on Saturday, May 19 at Marcus Pool. This is a great opportunity for Yuma's Middle School students, AND, a great opportunity for these students to meet the Heat! We will need help running the meet. If you have worked as a Stroke & Turn judge, we need you. If you have run the computer or timing system, we need you. If you have worked as a starter, we need you. Seniors, we need you. Many of our own swimmers will be participating in this event! Let's make the Inaugural Middle School Invitational a memorable event.

## Lessons

Coach David Luquin will be giving [Private and Semi-Private Lessons](#) at Marcus Pool between 6 and 7 PM. If you have younger children ready for the water, or if someone you know is looking for a quality swim instructor, call Coach David at 388-5284.
