Practice Schedule Variations

Spring, May and early June in particular, requires some flexibility on our part. We will move the bulk of the team to Kennedy Pool in order to practice long course (50 meter course vs. the 25 yard course at Marcus). The city **will** schedule pool parties at Kennedy during our normal practice slot and on those days we will modify or move the Kennedy practice sessions. We should receive a list of scheduled pool parties from the city early this week. A schedule of known changes will be sent at that time.

ALSO, the high schools are done on May 25, District 1 on June 8, and Crane on June 15! We will make sure that all of our swimmers are taken care of, but the schedule may look a bit bizarre. As always, if the practice schedule causes problems, talk with your swimmer's coach. We can usually find a solution!

Summer Sandsharks

The Heat will once again run an Imperial Valley Swim League (IVSL) summer team. Called the Sandsharks, this group swims from June 11 through August 4. Last year some of the Heat swimmers participated in the Sandshark meets. If that sounds interesting to you, check out the *Sandshark* page on our website. There is an IVSL Registration Fee of \$11. Heat swimmers should NOT register with the City of Yuma! A special registration form will be sent to you later this month.

If you haven't heard, the Heat will be running a Middle School Invitational on Saturday, May 19 at Marcus Pool. This is a great opportunity for Yuma's Middle School students, AND, a great opportunity for these students to meet the Heat! We will need help running the meet. If you have worked as a Stroke & Turn judge, we need you. If you have run the computer or timing system, we need you. If you have worked as a starter, we need you. Seniors, we need you. A sign up list will be posted next week. Many of our own swimmers will be participating in this event! Let's make the Inaugural Middle School Invitational a memorable event.
