Olympic Trials

Awesome! That's the only way to describe it. I do hope that you all got a chance to see some of the meet on TV. This looks to be the most impressive US Team since 1976. We'll see ... 08/08/08!

While Katelyn didn't swim her best, she swam well ... and in front of the largest crowd ever to see a swim meet in North America! Bigger than the Atlanta or Los Angeles Olympics. We'll get some pictures on the website soon.

Only four years till 2012 !!! Start to get ready NOW.

Swim A Thon / Fund Raising

The Swim A Thon (SAT) is swum, and a lot of the money has been turned in. It looks good ... but there is still some SAT money out there that needs to be submitted. Please do that as soon as possible. A full SAT report will be set out in August.

Also, be aware that the summer Fund Raising Obligation is due in July. This money is vital to the continued operation of our organization! Please be sure and keep your account up to date

THANK YOU!

Fees and Such

Coach Andersen will be out of town for much of July. If you have a payment to drop off, or a Meet Form to turn in, give it to your coach and they will funnel it to our Treasurer, Katie Edmondson Please don't wait until you see Coach Andersen ! Thanks !

Fall Season

We will be making an extra effort to bring new swimmers into the program this August. The Fall practice season will begin Monday, August 11. Please promote the team to your friends and neighbors.

Practice Changes/Variations

- There will be NO PRACTICE August 4-10
- The August Schedule will be out next week ... watch for it !

Best Western InnSuites Invitational

Excellent ! Many thanks to all of those that helped put on a great event. It is so nice to stay in Yuma for a change. There were some very good times posted and it looks like the CAAN team from Mexicali is a good match for our swimmers ... we'll try to schedule more competitions with them. Both team and complete meet results are posted on our *Meets & Results* page.
